

Gobachev and Reagan Talk Alien Invasion

Written by Grant Cameron

Tuesday, 24 November 2015 22:34 -

People know that Reagan talked often about the potential for an alien invasion. What many people don't know is that Reagan and USSR President Gorbachev actually discussed the possibility during one of their summits and agreed to help each other if aliens did attack. When Reagan said "how nations would unite" was an actuality between the Soviet Union and the United States. The video of what actually happened can be seen atÂ
