

Chase Brandon Roswell Update

Written by Grant Cameron

Monday, 16 July 2012 01:27 - Last Updated Monday, 16 July 2012 01:33

Robbie Graham was the researcher who first pushed the importance of the Chase Brandon story. He also ws the man who drafted the letter to the CIA about Chase Brandon's public statements that the 1947 Roswell was a real ET crash based on material he had seen at CIA headquarters. Graham has now published an update on the case
